## ATTESTATION OF CONFORMITY

## 1051

by the certification company "OFI CERT" regarding the hygiene suitability for drinking water of

Product(s):

**FORMULATION** 

Trade name:

**PUL010** 

Purity:

> 99 % Coating

Intended use in final product: Area of application:

Pipes and ancillaries (P1)

Max. content in final product:

100 %

Positive-list(s):

German Environment Agency - Evaluation Criteria for plastics and other organic

materials in contact with drinking water; rev. 2024-08-23

based on the formulation evaluation

of the manufacturer

Pulver Kimya San. ve Tic. A.S.

Ikitelli OSB Mah. HESKOOP J BLOK SOKAK NO: 18

34490 Basaksehir / Istanbul, Türkiye

produced at the production site

Pulver Kimya San. ve Tic. A.S.

Gebze OSB Mah. Tembelova Alani 3200.sok No: 3201

41400 Gebze / Kocaeli, Türkiye

We hereby certify that the product indicated above based on

the recommendation for conformity attestation of product hygiene suitability for drinking water (29 July 2021),

the certification programme ZI-21 (OFI CERT)

the submitted product information, including the formulation details

and the assessment documents (OFI 2302152 / 22636)

meets the requirements of the "German Environment Agency - Evaluation criteria for plastics and other organic materials in contact with drinking water (KTW-BWGL)" (rev. 2024-08-23) for the application in cold and hot water (23°C to 85°C) and is in compliance with the above document.

Additional substances must be tested in the end product migration test. The attesting body communicates them to the end product certification body, provided the relevant requirements for confidentiality are met.

The assessment documents1) are part of this attestation of conformity. This attestation of conformity was issued for the first time on 2025-01-13 and is valid from the date of issue below until 2030-01-13. Additionally, the preconditions specified below under "Remarks" have to be fulfilled.

## Remarks

The attestation of conformity is issued under the precondition that the starting materials used to manufacture the products and /or their composition and/or components, including their manufactures and supply chain, have been disclosed in full and the product does not contain any further substances. This document shall be invalid in case of changes to the composition of the product or the processing conditions that have not been agreed upon with the certification body, failure to meet the conformity requirements or termination of the 1+ system monitoring programme by OFI CERT and manufacturer.

The finding of our tests and the evaluations apply for the test objects examined and the provisions of the law applicable at the time of testing. Without our express written approval, it is only permitted to publish or reproduce this document in full and unedited.

Vienna, 13th of January 2025 (supersedes version from: new edition)
